## Today

More than 20 years in the Entertainment field, BaanRig has become an essential part in moving up the standards of Entertainment working culture in film production, live entertainment, and permanent rigging installation for theatre, both in Thailand and ..., to become widely accepted in the a global standard.

One year consists of 365 days. We are active for at least 360 days without client's disappointment. BaanRig is aiming to introduce new products and provide excellent crew to support our client's novel needs in the future. From our twenty-year experience, BaanRig is the top company in Thailand that is ready in all technical aspects.

If you have a dream, a need for something extraordinary, come talk to us. We will make sure you will not be disappointed because it is our top responsibilities to fulfill your imaginations.

Nothing is Impossible.
